BEAGLE FLAVORS

An experience to delight all the senses.

Early in the morning, we will start our journey in our vehicle towards Puerto Almanza. On the way, we will be dazzled by the landscapes that Ushuaia offers us, its ancient glacial valleys, and National Route No. 3.

Along the way, we will stop to enjoy a coffee break at Laguna Victoria. Once in Puerto Almanza, we will take an interpretive trail, where we will be surprised by the stunning landscapes.

After the morning adventure and with an appetite, we will enjoy the best southern cuisine in a classic restaurant in the town. Our soul will savor the most beautiful landscapes and the surrounding history: Puerto Almanza, Puerto Williams, the beautiful Bahía Brown, and the Frontón of Isla Gable are some of the beautiful postcards that this Fuegian coastal day offers us.
